Dear Kent,

To date, we have moved more than 4,603 clients into permanent homes! Many of them are going back to school, or finding new work and becoming active members of our communities throughout California.

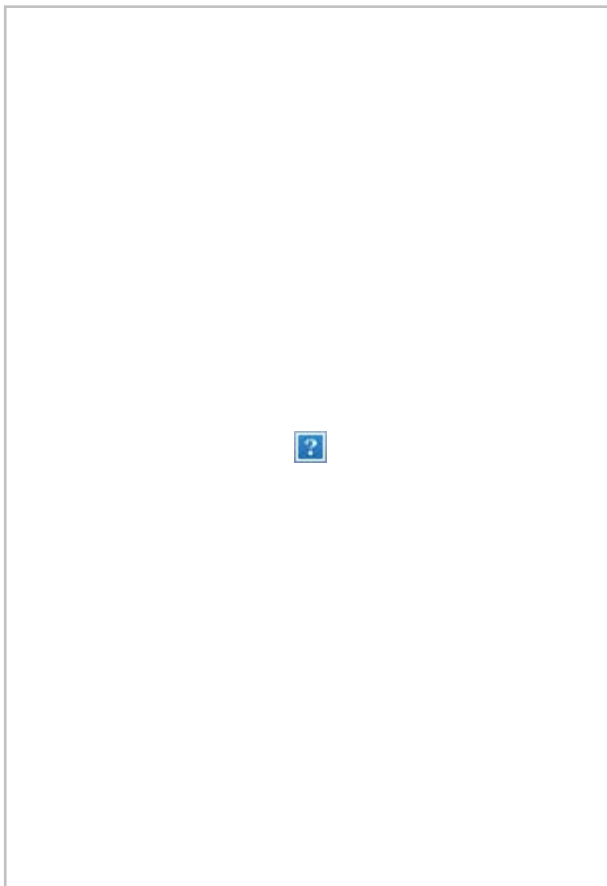

Whether you are a volunteer, staff member, or a donor, one of the greatest gifts you can give is to share PATH's mission and raise awareness. I ask that you discuss homelessness with your colleagues, your family, even local businesses so we can continue the dialogue on how to move our neighbors from the streets to permanent homes. THANK YOU for all you do to end homelessness, and ensure dignity and success for our clients.

Sincerely,

Joel John Roberts

Client Move-In & Volunteer Spotlight

CLIENT MOVE-IN SPOTLIGHT

J radiates a smile that would lead you to believe life is absolute perfection. But behind that smile is a young woman whose life took many unexpected turns. When she found out she was pregnant she left college to care for her baby. In an unforeseen circumstance she lost her job, and with no family support system - eventually lost her home.

Thankfully, J found her way to PATH Gramercy where she got the support she needed to help care for her child while she returned to school. J is studying to be an engineer.

VOLUNTEER SPOTLIGHT

Moana, a PATH volunteer and HBO employee, has known J for the past eight months. Their bond started when Moana and fellow HBO colleagues participated in the "Adopt-a-Family" program for the

fourth year in a row. After getting to know J, the group wanted to see her all the way through to her move-in day.

On Friday, June 26th, Moana and her HBO colleagues moved J into her very own apartment, furnished with pieces from sets such as "Hello Ladies" and "Togetherness."
